EMERGENCY OPERATIONS CENTER

# PRESS RELEASE

**PIO: Amy Travis, Shasta County EOC**

**For Immediate Release: August 1, 2018**

## **WIC Check Replacement Available**

SHASTA COUNTY – Any WIC clients who lost their WIC vouchers or WIC foods bought with vouchers due to the fire can get them replaced through August 10.

“Normal operations do not allow us to re-issue vouchers,” said April Jurisich, WIC Program Manager.

“However, in this disaster, we have an opportunity to help members of the community function in their day-to-day lives.”

All Shasta County WIC offices are currently open during normal business hours, and clients can walk in or call ahead to make an appointment for replacement checks. WIC staff will also be present daily at the Local Assistance Center at Shasta High School starting Thursday, August 2 to answer questions, schedule appointments and provide services.

CalFresh is also issuing replacement benefits to their clients who lost food because of the fire. Clients must apply for replacement benefits by August 21 through one of the Shasta County regional offices. More information about the office locations is online here:
