BE READY FOR A PUBLIC SAFETY POWER SHUTOFF

- PG&E customers: sign up for alerts and update your contact information.
- Are you a Medical Baseline customer? Make sure your information is correct. Call 1-800-743-5000.
- Identify backup charging methods for phones and keep hard copies of emergency numbers.
- Plan for any medical needs, like medications that need to be refrigerated or devices that require power.
- Plan for the needs of pets and livestock.
- Build or restock your emergency kit. Go to www.ready.gov for tips and a list of supplies.
- Know how to safely store cold food (keeping refrigerator and freezer doors shut and using ice chests).
- Create an emergency plan that includes your family and other loved ones in your area.
- Have an emergency meeting location.
- Know how to manually open your garage door.
- Ensure any backup generators are ready to safely operate.
