(U) CALIFORNIA IMPACTS: CORONAVIRUS DISEASE 2019 (COVID-19)

(U/FOUO) As of 4 May, confirmed COVID-19 cases in California reached 54,937 with 2,254 deaths. Laguna Beach officials, while working with the Governor’s Office, will begin reopening city beaches by implementing a four-phase plan. The LA school district announced their intention to begin the school year on 18 August. Nationally, confirmed COVID-19 cases have surpassed 1.17 million. New York Governor Cuomo announced that local municipalities can begin planning to open. Globally, the number of confirmed cases surpassed 3.4 million with more than 246,000 deaths.
