PRESS INFORMATION

TYPE OF INCIDENT: Tehama County Corona Virus Update

Date: 03/20/2020

The County of Tehama has opened the County Emergency Operation Center in a “virtual” capacity to help monitor the virus incident in California and to support local efforts of the Tehama County Public Health Department.

Individuals looking for information about the virus should check with the most updated information on the following websites and assistance centers:

- Center for Disease Control: <https://www.cdc.gov>
- Visit <https://www.covid19.ca.gov>
- Text Coronavirus to 211-211
- Dial 211 or log on to their website: <https://211norcal.org/tehama/>
- Contact your local health care provider
- Public Health website: <https://www.tehamacohealthservices.net/>

There are still no reported cases of this virus in Tehama County.

The Governor has issued an Executive Order for people to stay in their homes or place of residence as much as possible to help prevent the spread of the virus. View the order at this link:

<https://www.gov.ca.gov/category/executive-orders/>

This is an ever changing event and as more information becomes available the Joint Information Center will send out updates.
