

market match

Double your food dollars with the Center for Healthy Community's EBT Market Match at any participating farmer's market!

When you swipe your EBT card and use your CalFresh (formerly Food Stamps) benefits to buy food at a farmer's market, the amount of money you spend (up to \$15) is matched with Market Money tokens. The tokens can be exchanged for locally grown fruits and vegetables.

Step 1: Use Your EBT Card

Visit the EBT booth at any participating market and purchase farmer's market tokens.

Step 2: Receive Bonus Tokens

Receive an equal amount, up to \$15, of Market Money tokens. Limit one visit per day.

Step 3: Purchase Local Produce

Spend tokens with vendors at the market to purchase fresh produce.

The Market Match program runs at all Shasta Growers Association certified markets.
Tokens are not redeemable for cash.
