Fairchild Express Care is Available to See Non-Emergency Patients

Yreka, California, August 2, 2022 Fairchild Express Care is open starting today and available to see patients the rest of this week. Fairchild Express Care is available for patients needing immediate care for non-emergency medical needs such as fever, cough, infection, respiratory and gastrointestinal issues. Fairchild Express Care is located inside Fairchild Medical Clinic at 475 Bruce Street in Yreka. Express Care is available seven days a week from 10am to 6pm. Patients needing non-emergency care can walk-in (no appointment needed), can schedule an appointment by calling (530) 842-3507 or can see a provider online through a telemedicine visit by visiting fairchildexpresscare.org. Please visit fairchildexpresscare.org for a list of common conditions treated through our Express Care clinic.

Primary Care and specialty services will be available at the Fairchild Medical Clinic location beginning on Wednesday, August 3rd. Patients with previously scheduled appointments for Wednesday, August 3rd or later will be contacted to confirm their appointment and availability.

Patients whose appointments were canceled due to the emergency will be contacted to reschedule as soon as possible.

The Fairchild Medical Center Emergency Department remains open and ready to care for patients needing emergency care. The hospital is also open for laboratory and imaging needs. At this time no patients are being admitted to the hospital. Patients evaluated in the Emergency Department that require admittance will be transferred to an out-of-area hospital.

Fairchild Medical Center will continue to work closely with local, county, state and federal agencies to manage the situation caused by the McKinney wildfire and will do its best to stay open and operational to serve the medical needs of the community.

###

Fairchild Medical Center is a critical access hospital located in Yreka, California. For more information about the hospital and services offered and our two rural health clinics, Fairchild Medical Clinic and Scott Valley Rural Health Clinic, please visit fairchildmed.org.
