

# SHASTA COUNTY SHERIFF

Michael L. Johnson  
SHERIFF-CORONER

## **[MEDIA RELEASE**

### **SANDBAG AND SAND PILE LOCATIONS IN SHASTA COUNTY**

The first significant storm system of the season will move into the area later today bringing periods of moderate to heavy rain and mountain snow through the week and into the weekend. The Shasta County Sheriff's Office would like the public to make note of the following list of places in Shasta County where sandbags can be filled. Please note that some locations require you to have your own bags and/or shovel. Please be aware of what items you need prior to arrival. Sandbags will be available as long as the supply is on hand. Sandbags and sand can also be purchased at several Shasta County landscaping supply companies.

As the winter weather season begins, the public is urged to evaluate their emergency preparedness plans. California's Office of Emergency Services has many preparedness resources available on their website: [Disaster Readiness – Listos California](#).

When driving in winter weather, drivers are urged to slow down and never drive across flooded roadways. Always check road conditions before travelling by going to [QuickMap \(ca.gov\)](#). The California Highway Patrol has additional winter driving information available here <https://www.chp.ca.gov/programs-services/services-information/winter-driving-tips>.
